The Programme

The International Foundation Business Programme at Shannon College is the ideal programme for students who require additional academic and/or English Language learning prior to commencing their chosen degree. A foundation programme is a component part of the entry requirements for many international students who wish to pursue their Undergraduate studies in Ireland. Students who choose to complete their foundation programme through an Irish University have the great advantage of studying through English, developing a strong understanding of the Irish culture and adapting to the teaching style used in Irish Institutions. This will ensure they are fully prepared to commence their chosen Degree programme in Ireland.

Modules include

Academic English, English for Business, English for Life, Introductions to Business, Management and Accounting, Intercultural Communications, Personal Development.
