A guide for students from India
Welcome to University of Galway

**Undergraduate Entry Requirements**

Entry requirements for undergraduate programmes may vary, however, as a general guide students presenting Higher Secondary School Certificates at the end of Standard XII, with a minimum of 65-80% overall, will be considered for admission to most programmes.

University of Galway currently hosts a vibrant community of Indian students, mainly studying at postgraduate level in areas such as Arts & Social Sciences, Business, IT, Analytics, Engineering, Law, Medicine, and Biomedical Sciences

**Postgraduate Entry Requirements**

Entry requirements for Master's programmes vary, however as a general guide students presenting an honours level undergraduate degree with a minimum of 65% will be considered for admission to most programmes depending on specific course requirements and availability of places.

University of Galway -India research relations have been further strengthened by the signing of agreements between the Network of Excellence for Functional Biomaterials (NFB) at the University of Galway and four Indian institutions:

- The Materials Research Centre at the Indian Institute of Science, Bangalore
- Indian Institute of Technology, Kanpur
- Indian Institute of Technology, New Delhi
- Sree Chitra Tirunal Institute of Medical Science and Technology

The Graduate Permit Scheme

Private loans through The Graduate Permit Scheme allows international students graduates of Irish higher education institutions to apply to remain in Ireland for the purpose of seeking employment and applying for a Green Card or Work Permit for up to two years after completing their studies.

The Third Level Graduate Scheme allows international students at undergraduate level to remain in Ireland for 12 months and at masters and PhD level to remain in Ireland for 24 months.

Please note conditions apply www.inis.gov.ie For more information

Meet our Students

“University of Galway is a university that has exemplary rankings, a campus that is fascinating, scholarship programmes that are wonderful, a faculty that is dedicated, a graduate employability rate that is imposing, volunteering and extra curricular opportunities that are enormous. The program I was interested in had been awarded the best new postgraduate program in Ireland by the HEA and I won the Max Arthur Macauliffe special merit scholarship for Indian students.

Ireland is bubbling with fun and enthusiasm and gives you a new reason to be happy everyday. The breath-taking counties give you a sense of belonging in the midst of chaos around the world. On the first time seeing University of Galway campus, I knew this was precisely everything I ever wanted! I'm happy and grateful that University of Galway gave me a once in a lifetime opportunity to study, explore, work and contribute my share in Galway, Ireland.”

Ramya Kulkarni,
MSc in Climate Change, Agriculture and Food Security.
Did you know?

University of Galway is the leading Irish university for cricket. The University of Galway Cricket team are 5 times winners of the indoor intervarsity competition.

The Indoor Varsities were held in Galway in 2017 and the University of Galway cricket triumphed and remained undefeated throughout the tournament.
