Welcome to University of Galway

Undergraduate Entry Requirements

Entry requirements for undergraduate programmes may vary, however, as a general guide the University of Galway will consider students presenting with either

• STPM Malaysia Higher School Certificate (looking for a minimum of 3 to 4 STPMs with good results including English, Math and another language) or
• UEC Unified Examination Certificate (Senior Middle Level)
• University of Galway approved International Foundation Year.

Postgraduate Entry Requirements

Entry requirements for Master’s programmes vary, however as a general guide students presenting an honours degree with a minimum of a 3/4 CGPA from a recognised institution will be considered for admission to most programmes depending on specific course requirements.

International School Entry Requirements

University of Galway will also accept international school exams (such as UK A-Level or the IB Diploma).

Please check https://www.universityofgalway.ie/undergrad-admissions/school-leavers/a-level/

Scholarships

University of Galway is committed to attracting high calibre students from Malaysia.

Foundation Providers

University of Galway works with a number of providers who offer foundation programmes for students who do not currently meet the University's English language requirements.

Students applying to undergraduate programmes courses in our School of Medicine should contact Study Ireland Irish Universities & Medical Schools Consortium (Malaysia Office) as they are the Undergraduate Pathway Provider. Please contact office@iumcireland.com

Please see https://www.universityofgalway.ie/undergraduatemedicine/howtoapply/

For other foundation providers approved by The University of Galway please visit our website.

Meet our Students

“I am always fond of pursuing my study in Ireland since Ireland is well-known with its medical course in my country. Hence, I chose University of Galway over other universities for my twinning programme. My first day was really great. I enjoyed my bridging course conducted by University of Galway. I was well-oriented and made clear on my visions while studying in University of Galway. The emphasis on the theory is one important component that I love in University of Galway. Having a strong foundation in pre-clinical phase is essential before starting the clinical years. Besides that, peaceful environment in Galway is one of the main traits that made Galway stand out from the others as the best place to study! If I had to describe Irish culture in 3 words; they would be 'unique', well-preserved' and 'proud' and Galway in 3 words; peaceful, friendly and unpredictable.”

Nahiah Noor Azman
