Foundation Providers

Entry requirements for undergraduate National University of Ireland, Galway works with a number of providers who offer foundation programmes for students who do not currently meet the University’s English language requirements.

Students applying to undergraduate programmes courses in our College of Medicine, Nursing and Health Science should contact Castel Education Tralee as they are the Undergraduate Pathway Provider. Please contact Castel Education, Tralee, Co. Kerry

www.casteleducation.com

For students applying to any other undergraduate programme we will accept students that have completed a recognised Foundation Programme. Dublin International Foundation College are a recognised University Foundation Pathway provider www.difc.ie. Please contact Ray Halpin at DIFC for Further information on the options available e-mail: ray@difc.ie

For other foundation providers approved by The University of Galway please visit our website.

Scholarships

NUI Galway is committed to attracting high calibre students from Central and South America.

Please check our website for updates and information on how to apply for scholarships

Testimonial

Galway is such a charming, magical, beautiful, little city where there is always something happening. I love how multicultural Galway is, I form part of the Mexican Community of Galway where I have been able to embrace and share my culture. Moving to Ireland has been the best decision I have made in my life. It is an amazing country full of beautiful landscapes and lovely people who always make you feel welcome. Ireland has become my second home and a piece of my heart will always live here.
