University of Galway QQI/FET/ FETAC Progression Guide 2026

The aim of the Access Centre is to create a supportive learning environment where students who have experienced socio-economic disadvantage, students with disabilities and mature students are enabled to access and succeed in third level education. This involves a wide range of educational approaches and specialist services that include Access Programmes, Disability Support Service, Educational Support Worker for Care Experienced, and are targeted at large numbers of students who are classified by the Higher Education Authority as 'non-traditional'.

How to apply as a QQI/FET/FETAC Applicant *for Full-time Degrees*

University of Galway is committed to providing entry routes to its undergraduate programmes for prospective students who have been awarded recognised QQI/FET/ FETAC Level 5 and 6 qualifications.

In order to be considered for a place on these programmes, students are required to have completed the requisite Level 5 or Level 6 course and hold a minimum of five distinctions (i.e. 80% or greater) in the requisite modules.

Award codes begin with 5M (for example 5M2102 Business Studies) for level 5 awards and 6M (for example 6M3674 Community Development) for level 6 awards. Older awards have a different naming convention, but many have been updated to this new 5M and 6M convention.

Please note that places are limited for QQI/FET/FETAC applicants on degree programmes.

Some degree programmes have additional entry requirements. These usually take the form of distinctions (80% or greater) in specific modules which prospective students are required to hold to be eligible to apply. Please pay particular attention to these additional entry requirements if they apply to your desired course of study.

Successful applicants may only be admitted on a competitive basis to Year One of a degree programme. QQI/ FET/FETAC applicants should apply online through the Central Applications Office (www.cao.ie) for all University of Galway's fulltime undergraduate courses.

The cost of applying through the CAO is approximately €45.

There is an online discounted rate of €30 if you apply before 20 January.

Scholarships and Financial Supports

University of Galway encourages QQI/FET/FETAC applicants to apply for some of its attractive scholarship opportunities.

There are some scholarships that applicants can apply for before even receiving a college offer. Others are awarded on merit or for socio-economic reasons.

1916 Bursary Fund

The 1916 Bursary is a financial award to encourage the participation and success of students from sections of society that are significantly under-represented in higher education.

The 1916 Bursary is co-funded by the Government of Ireland and the European Union through the Department of Further and Higher Education, Research, Innovation and Science (DFHERIS) and aims to encourage participation and success by students who are most socio-economically disadvantaged and from groups most under-represented in higher education.

To be eligible for a 1916 Bursary, all applicants must meet, Financial, Priority Group and College Entry eligibility criteria.

Full details available at <https://1916bursary.ie/>

The University of Sanctuary Scholarship

The University of Sanctuary Initiative at University of Galway aims to increase public awareness of International Protection and Traveller-specific topics across campus, in order to address the low levels of participation of International Protection Applicants, refugees, vulnerable immigrant groups, and Irish Travellers in third level education. These groups are too frequently excluded from education due to inequitable societal barriers, and we feel that through our actions we can make University of Galway a much more inclusive and equitable campus.

Full details available at www.universityofgalway.ie/access/scholarshipsfunds/ or email uni.sanctuary@universityofgalway.ie

Mature Student Entrance Scholarship

The University awards several Entrance Scholarships annually to mature students based on academic merit.

University Scholarship

University Scholarships are for adult learners who wish to complete a Bachelor's (Ordinary or Higher) Degree, for the first time.

For full details of scholarships please visit <https://www.universityofgalway.ie/scholarships/>

Financial Aid Fund

Some students may find themselves experiencing financial difficulties despite being careful with money during their time at university. All full-time students who attend a course of at least one year's duration leading to an undergraduate qualification are eligible to apply for the Financial Aid Fund. Applicants are means tested (taking financial situation and family circumstances into account). The application forms are usually available online from late September/early October.

For more information, go to <https://www.universityofgalway.ie/financialaidfund/>

Disability Support Service

Support for students with a disability, ongoing physical or mental health condition, or specific learning difficulty.

Students with a disability, ongoing health condition (physical or mental), or a specific learning difficulty, are encouraged to register with University of Galway's Disability Support Service (DSS). Approximately one in twenty students at University of Galway are registered with the DSS. You can find out more about this service and how to register at www.universityofgalway.ie/disability/.

Most of the students who register with the DSS present with one or more of the following:

- Autism spectrum disorder (ASD)
- Attention deficit disorder (ADD)/attention deficit hyperactivity disorder (ADHD)
- Blind/vision impaired
- Deaf/hard of hearing
- Neurological condition, including epilepsy and brain injury
- Speech and language communication disorder
- Physical disability, including mobility issues
- Developmental coordination disorder (DCD) - Dyspraxia/ Dysgraphia
- Mental health condition
- Significant ongoing illness
- Specific learning difficulty (SLD), including dyslexia or dyscalculia

Register for disability support

To register for support, you will need to complete our online registration form at www.universityofgalway.ie/disability and provide evidence of your disability, ongoing health condition, or specific learning difficulty. Once the form is submitted students will be contacted to arrange a needs assessment appointment with a Disability Advisor.

Supports and reasonable accommodations will be determined through an individual needs assessment; taking into account the nature and impact of your disability, evidence of disability, and course requirements.

Student Supports

The following are a number of student support services that you can avail of as a full-time student:

Transitioning to University Programme

The Access Centre's Transitioning to University programme is offered in August to new incoming QQI / FETAC students, so as to prepare them academically, socially and practically before the semester begins. The programme comprises of a series of workshops including practical study skills sessions, memory techniques, practical computing and advice on making the transition to third level education as well as information on the support services in the University. These workshops provide you with an opportunity to meet fellow mature students, make friends, and familiarise yourself with our campus.

Orientation

The University runs an orientation week for all new first years in early September with an opportunity to hear college talks from the Deans, learn about academic and personal supports, and receive timetables and library tours.

For other student supports such as Chaplaincy, Counselling, Creche and others please see www.universityofgalway.ie/student-services/

Returning to Education – Access Diploma Programmes

University of Galway's Access Centre offers pre-university preparatory Access and Foundation diploma programmes for under-represented groups in higher education, including those from socio-economically disadvantaged backgrounds, students with disabilities and mature students including adults who may be in employment.

The preparatory programmes are student centred and are delivered in a very supportive environment by experienced tutors and staff. The overall aim is to give the chance of college to everyone and to provide an opportunity to progress to full-time or part-time degrees once the foundation year is completed. Each year over 200 students progress to university and excel in their new degrees. Continued support is provided to all students by the Access Centre.

Subjects

Subjects offered are in the areas of Humanities, Science and Business and alongside core subjects such as Academic Writing, Study Skills, Technology and Career/College Guidance. Upon completion and meeting certain grades, students' progress to full-time degrees in these areas including Health Sciences, Law and Engineering.

Mature Students are those aged 23 years or over.

School Leavers are those aged 22 year or under.

Outreach Access Courses

These free programmes are delivered in centres such as Tuam and An Cheathrú Rua which is a bi-lingual programme. They are made up of both Mature and School Leavers from disadvantaged backgrounds. These courses provide the opportunity to progress to University of Galway or ATU upon completion offering a range of subjects.

Diploma in Foundation Studies Science, Technology and Engineering

This part-time Foundation programme is a fee-paying evening programme that runs two evenings and some Saturdays from September to May and is suitable for those over 22 who are interested in moving onwards to a full-time or part-time degree in University of Galway or ATU in areas such as Engineering, Science, Computer Science and Health Sciences. Academic subjects include Maths, Biology, Chemistry and Physics. Support Modules include Academic Writing, Study Skills, Technology and Career/ College Guidance. Fees are €380 for employed and €60 for unemployed.

Diploma in Foundation Studies Business, Arts and Law

This part-time Foundation programme is a fee-paying evening programme that runs two evenings and some Saturdays from September to May and is suitable for those over 22 who are interested in moving onwards to a full-time or part-time degree in University of Galway or ATU in areas such as Business, Humanities and Law. Academic Support Modules include Academic Writing, Study Skills, Technology and Career/College Guidance subjects include Maths, Economics, Business Skills and Accountancy. Fees are €380 for employed and €60 for unemployed.

Progression Criteria to Degrees and Scholarships

All Modules studied in all Access and Diploma courses must be passed and completed and attendance required is 85%. All courses are classroom based over 2 semesters with exams, assignments and continuous assessment. Certain subjects require A's and practical work experience for some degrees including Health Sciences and Nursing (School Leavers) All students who want to proceed to full-time degrees apply to the CAO before 20 January for a discounted fee of €30. Places in degrees are allocated according to grades and competition for places. Certain high achieving mature students who enter 1st year of a full-time degree may receive a scholarship of €1,500 subject to terms and conditions. Other funding may be available through the Financial Aid Fund and Access Funds for School Leavers.

How To Apply

Applications to all Access Foundation Diploma Programmes are completed online. Interviews apply. Details of documents required are available on the Access Centre website.

Applications to Diploma in Foundation Studies Science, Technology and Engineering/ Business, Arts and Law are completed online from July. No interviews apply. Information will be posted on the Access Centre website.

"Oscar Wilde once said that 'success is a science; if you have the conditions, you get the result' and as you can see from my story QQI pathways create the conditions. So, if you are even thinking about attending university, know that there are a range of services to assist you in your journey and you can do it!"

Dr Rosemary Crosse
UNESCO Child and Family

"I applied to Bachelor of Arts in University of Galway in 2016 through a FETAC course. I completed a FETAC course in business administration; I gained a wide range of skills in computers and communications which have helped me in my studies. From completing the FETAC course I felt more confident and prepared for the transition into university. Studying in University of Galway is an amazing experience, its friendly staff and students provide the university with an amazing atmosphere."

Laura
(Bachelor of Arts – Geography,
Sociology & Politics)

"I am a final year undergraduate student studying a Bachelor degree in General Nursing at University of Galway, I started this course in 2014. I achieved this from gaining all distinctions in a pre-nursing course I carried out in GTI. I found my overall experience in GTI invaluable and a great stepping stone to further education. I really feel that it helped me to gain the confidence I needed in my studies and the placements that I have done throughout my years in University of Galway. I am at such an advantage in my course, as a lot of the subjects that I had studied in GTI were reflective of that in University of Galway. The notes that I gathered at GTI I still avail for studying and assignments. At University of Galway the lecturers are great to work with, they are always on hand for guidance and clinical placements are a privileged experience that I thoroughly enjoy."

Danielle
(Bachelor of Nursing Science – General)

"I applied through the CAO to University of Galway in 2015; using my QQI Level 5 award in Business Studies, I secured a place on the Bachelor of Arts programme. I studied Psychology, French and Spanish in first year and I'm continuing with French and Spanish to degree level - in fact, I'm currently in Spain on my ERASMUS year as a result! Academically, going from further education to higher education is certainly a step up, but in a good way. You really learn how to apply the skills you learn at Levels 5 and 6, especially in modules such as 'Communications.' Thankfully, there are a range of supports available, both academically and nonacademically, where you can learn all the skills you need to succeed on whatever course you choose! There's something for everyone on campus. You can meet for a coffee in Smokey's, join a club and get fit or join a society and meet like minded people who share your interests. There are also plenty of opportunities for volunteering and personal development and, if you like a challenge, you might consider attending the 'Dioplóma sa Ghaeilge' course in the evenings to learn some Irish or something similar! I hope you have a great time at University of Galway - you won't recognise yourself in four(ish) years' time!"

Financial Information

Returning to full-time education can place a strain on your finances. There are many factors to be considered - rent, utility bills, food, travel and class materials for example. It is important to evaluate whether you can financially afford to pursue a full-time degree.

Undergraduate Fees

EU undergraduate fees consist of three elements:
1. Tuition Fee (tax exempt) 2. Student contribution charge 3. Student facilities levies (covers cost of registration, examinations and student services).

1. Tuition fee

Under the 'free fees' initiative from the Department of Education and Skills, the state pays the tuition fee for eligible full-time, nonrepeat undergraduate EU students who:

- Are first time undergraduates
- Hold EU nationality or official refugee status
- Have been ordinarily resident in an EU member state for at least three of the five years preceding their entry to an approved full-time course. If you do not satisfy the above criteria for 'free fees', you may be eligible for 'EU fees'. There are two ways to qualify for EU fees, through nationality or residency:
- **Nationality:** If the student holds EU nationality or official refugee status and where a student has received ALL his/her full-time post-primary education within the EU, but has not been resident for three of the five years immediately prior to university entry, the student is eligible for EU fees. Euro nationality can be proved with an EU passport, an original Irish Birth Certificate, an original EU National Identity Card or official Irish refugee status.
- **Residency:** The student's principal residence for the purpose of taxation must have been in an EU member state for at least three of the five years preceding their entry to an approved third-level course. (Prior residence as a full-time student alone does not qualify a student for EU fee rates). If you do not qualify for the Free Fees Initiative or a Student Grant, then you may be liable to pay the full

tuition fees for your programme of study. For all information in relation to fees and related criteria, please refer to

www.universityofgalway.ie/fees

2. Student contribution charge

The student contribution charge, which will be approximately €3,000 in 2025, is payable by all students. However, students who have applied and are successful in their application for a higher education grant or scholarship will have this student contribution charge paid on their behalf by the scholarship provider or higher education grant authority.

3. Student facilities levies

This is payable by all students and will be circa €140 in 2025. Further information may be obtained from the Fees Office.

SUSI Student Grants

Student Grants are applied for online and are administered centrally through SUSI. If you are eligible, it may cover all or part of your fees and assist you with maintenance payments to contribute to living expenses while you study. The residency requirement in the State for grant eligibility is three out of the past five years for new applicants, be a holder of an EU passport and have official refugee status. The duration of the break in studies required for re-entry as an independently assessed mature student is three years.

How are applicants assessed?

University of Galway recognises certain QQI/FET/FETAC Level 5 and 6 qualifications as pathways to a number of its undergraduate programmes. In order to be considered for a place on these programmes, students are required to have completed the requisite Level 5 or Level 6 course and hold a minimum of five distinctions (i.e. 80% or greater) in the requisite modules.

For more on the kind of QQI/FET/FETAC level 5/6 awards recognised by University of Galway, see the 'Eligible Courses' page of this guidebook. For more on the specific QQI/FET/FETAC scoring scheme used by all HEI's, see cao.ie

What happens if I am successful and accept a place at University of Galway?

Registration: late August to late September. Registration details will be provided via email to all students after the Leaving Certificate results are released. Transitioning to University Programme will run in late August, and You will receive all information on the Transitioning to University Programme by email in July 2026 and you will be invited to register as a student online. Main Campus Student Orientation usually occurs the first week in September.

What full-time degrees are open to Further Education applicants?

University of Galway has recently increased the number of places available for QQI/FET/FETAC applicants from 60 courses to over 220 places across the four colleges that make up this University. Further information on the undergraduate programmes available for QQI/FET/FETAC applicants can be found on the 'Quick Guide' page in this guidebook.

Can I make a late application to University of Galway after February 1st?

Yes. Late applications from QQI/FET/FETAC applicants are accepted up until the closing date of 1st May 2026.

Can I use the change of mind option for University of Galway's programmes?

Yes. The CAO online Change of Mind facility opens in early May and closes on 1 July at 5pm.

When will I know if my application has been successful?

If you are offered a place at University of Galway you will receive official notification of this from the CAO, usually in early August. The date by which you must accept your offer will be clearly stated on the CAO notification. It is essential that you are aware of the date for accepting your offer.

You may accept your offer online (www.cao.ie) in the event that you are away from your address.

Your responsibility... If you change your address any time between February and the end of June you should update the CAO with your correct address.

Can I apply to Shannon College of Hotel Management as a QQI/FET/FETAC Applicant?

In 2015 Shannon College of Hotel Management became a College of University of Galway. Applicants taking the requisite QQI/ FET/FETAC level 5 and 6 programme are welcome to apply for limited places in GY261 (Business Studies) in Shannon College.
