

BCNI Principal Investigator Profile

Name: Professor Kerri Clough-Gorr

Current position: Director of the National Cancer Registry Ireland and Professor of Cancer Epidemiology at University College Cork

Contact: k.clough.gorr@ncri.ie

Role in BCNI: Principal Investigator

Background career information:

Kerri is currently Director of the National Cancer Registry Ireland and Professor of Cancer Epidemiology at University College Cork. In addition, she holds affiliations with the Institute of Social and Preventive Medicine University of Bern, Switzerland, Boston University School of Medicine and the Veteran's Administration in the United States.

Research and Clinical Interests:

Her research interests include cancer epidemiology, health services research and ageing. She has considerable experience with epidemiologic investigations; conducting cohort and case-control studies, developing multi-site longitudinal follow-up studies using mixed methodology linking and analyzing a wide variety of data sources (e.g. patient interview, medical record review, cancer registry, national healthcare claims, and national death registry data). With colleagues in Switzerland and the United States she has published several book chapters and many peer-reviewed papers in her areas of expertise.
