BA (Cumarsáid & Gaeilge)

GY122

Clár léinn spreagúil sna meáin chumarsáide agus sa Ghaeilge is ea an BA (Cumarsáid & Gaeilge), a bhíonn á theagasc go hiomlán trí mheán na Gaeilge agus a mhaireann ar feadh ceithre bliana. Tá meascán tomhaiste ann den staidéar acadúil agus den oiliúint phraiticiúil san iriseoireacht, sa léiriú físe agus raidió, sa chraoltóireacht agus sna hilmheáin, chomh maith le staidéar ar theanga agus ar litríocht na Gaeilge. Tá an chéim á tairiscint ag an Acadamh i gcomhpháirt le Roinn na Gaeilge, Ollscoil na Gaillimhe.

Seimeastar Gaeltachta & Socrúchán Oibre

Bíonn an chéad seimeastar den tríú bliain ar siúl in Ionad na hOllscoile ar an gCeathrú Rua i gcroílár Gaeltacht Chonamara. Bíonn deis agat ansin barr feabhais a chur ar labhairt na teanga, agus tuiscint a fháil ar oidhreacht agus ar dhúchas na Gaeltachta. Sa dara seimeastar beidh deis agat taithí oibre a dhéanamh in earnáil na meán, nó tionscadal 'foghlaim sa phobal' a chur i gcrích. Má roghnaíonn tú an taithí oibre, gheobhaidh tú cúnamh agus tacaíocht a chuirfidh ar do chumas taithí fhíorluachmhar a fháil sna meáin le TG4, RTÉ, Raidió na Gaeltachta nó san earnáil neamhspleách raidió agus teilifíse. Gheobhaidh tú tuiscint ar leith ar shaol na meán comhaimseartha san intéirneacht sin, déanfaidh tú teagmhálacha luachmhara, agus gheobhaidh tú scileanna praiticiúla ar an láthair oibre a sheasfaidh leat agus tú sa tóir ar phost amach anseo.

Naisc Idirnáisiúnta

Más maith leat na deiseanna a bhaineann le socrúchán oibre thar sáile nó clár Erasmus a fhiosrú, beimid lánsásta comhairle a chur ort ina dtaobh.

Pointe Eolais

Bhuaigh mic léinn na Cumarsáide Smedia in 2023 don Chlár Raidió Gaeilge is fearr dá gCraoladh Sheachtrach le linn Sheachtain na Gaeilge.

Deiseanna Gairme

Agus do chéim bainte amach agat beidh tú oile sa léiriú teilifíse agus raidió, sa chraoltóireacht, san iriseoireacht chlóite agus ar líne, sna hilmheáin agus i dteicneolaíochtaí digiteacha éagsúla. Beidh tú inniúil ar struchtúr an scéil agus ar theanga na físe; beidh tú in ann anailís a dhéanamh ar ról na meán sa tsochaí chomhaimseartha; agus beidh tuiscint ghrinn agat ar shaol agus ar chultúr na teanga mar theanga bheo sa lá atá inniu ann. Is é taithí chéimithe an chlár gur buntáiste suntasach dóibh é a líofacht Ghaeilge agus iad sa tóir ar fhostaíocht i margadh fíor-iomaíoch na meán, margadh na teilifíse agus an raidió go háirithe. Is bunús láidir é an chéim seo freisin i ngairmeacha eile: sa pholaitíocht, gnó, bainistíocht, an earnáil neamhbhrabúis (eagraíochtaí neamhrialtasacha agus carthanachta), agus an earnáil phoiblí.

Breisoideachas

Comhpháirtíocht nuálach le RTÉ is ea an MA (Cleachtas Gairmiúil sna Meáin) faoina mbíonn deis eisceachtúil ag mic léinn tabhairt faoin staidéar acadúil ar líne agus taithí oibre luachmhar a fháil san iriseoireacht, sa chraoltóireacht agus i gcruthú ábhair in aonaid Ghaeilge RTÉ.

Teistiméireacht Mac Léinn

An rud is fearr liomsa faoin chúrsa seo ná go bhfuil sé iontach cruthaitheach agus go mbíonn an tsaoirse agat triail a bhaint as an iliomad rudaí - ag craoladh beo ar an raidió, láithreoireacht teilifíse, iriseoireacht scríofa, léiriúchán - agus mar sin go mbíonn tuairim agat cad go díreach a thaitníonn leat. Tá tú in ann do stíl féin a aimsiú agus a láidriú le linn an chúrsa agus cuideoidh sé sin go mór leat post a fháil sna meáin i ndiaidh na céime.

Áine Ní Dhonnaíle, BA (Cumarsáid & Gaeilge)

Teistiméireacht Fostóra

Cuirtear an chothromaíocht cheart den bharr feabhais acadúil agus den taithí phraiticiúil ar fáil do na mic léinn ar an gcúrsa seo. Cuidíonn na socrúcháin oibre i gcomhlachtaí teilifíse agus meán cumarsáide agus an tréimhse a chaitheann siad sa nGaeltacht, mar aon leis an teagasc ar ardchaighdeán, leis na mic linn na scileanna riachtanacha atá ag teastáil uathu chun gairm bheatha a bheith acu i TG4 a fhorbairt.

Student Testimonial

I got the opportunity to study different aspects of media on this course. The thing I liked most about the course was that the emphasis on learning through doing and the practical aspect of the coursework. On this course you are offered the opportunity to work on many elements of media such as a radio programme, short film, news reports and many other related activities. In third year you get to put your learning into practice when you undertake your work placement. When you are applying for jobs it is great to be able to say that you have already been broadcasting and working in the industry for a number of years!

Ronan Flanagan, BA (Cumarsáid & Gaeilge)

BA sna Dána (Léann Teanga)

GY136

Is céim í seo atá dírithe go sonrach ar jabanna i réimse na scileanna teanga. Tá deiseanna den scoth anois in Éirinn agus san Eoraip dóibh siúd a bhfuil cáilíocht aistriúcháin/ teanga acu – go deimhin, tá ganntanas aistritheoirí cáilithe ann chun na poist ar fad a líonadh. Ar an gcúrsa céime an-phraiticiúil seo díritear ar na scileanna teanga, teicneolaíochta agus proifisiúnta atá riachtanach chun bheith i d'aistritheoir gairmiúil.

I gcás an BA (Gaeilge & Léann an Aistriúcháin) roghnaítear Gaeilge, Léann an Aistriúcháin agus ábhair amháin eile sa chéad bhliain. Gaeilge agus Léann an Aistriúcháin amháin a bhíonn ar siúl ón dara bliain ar aghaidh.

Seimeastar Oibre

Má roghnaítear Léann an Aistriúcháin agus Gaeilge don chéim, bíonn socrúchán oibre bliana (Meán Fómhair go hAibreán) ar fáil le heagraíocht nó gnólacht atá ag feidhmiú trí Ghaeilge. Ar na heagraíochtaí a bhí i gceist le tamall anuas tá Rannóg an Aistriúcháin i dTithe an Oireachtais, an Taibhdhearc, Gaillimh le Gaeilge, an Coimisiún Eorpach (an Bhruiséil), agus eagraíochtaí pobail sa Ghaeltacht.

Deiseanna Gairme

Éiríonn lenár gcéimithe poist a fháil i réimsí éagsúla ina bhfuil tábhacht le scileanna teanga. Tá ceangal láidir againn le hinstiúidí an Aontais Eorpaigh agus tá scata dár gcéimithe ag obair sna heagraíochtaí sin anois chomh maith le heagraíochtaí san earnáil stáit in Éirinn. Céimithe eile dár gcuid, tá na scileanna a shealbhaigh siad ar an gcéim seo á n-úsáid acu anois i bpoist i réimsí na cumarsáide agus an oideachais.

Pointe Eolais

Níl cúrsa iomlán bunchéime i Léann an Aistriúcháin le fáil in aon ollscoil eile in Éirinn ach amháin in Ollscoil na Gaillimhe.

Mholfainn an cúrsa seo d'aon duine le spéis i struchtúr agus saibhreas na Gaeilge. Is cúrsa iontach é do dhaoine atá ag iarraidh barr feabhais a chur ar a gcuid Gaeilge chun úsáid ina saol oibre agus pearsanta. Cúrsa beag atá ann a chiallaíonn go mbíonn dlúthchaidreamh agat leis na léachtóirí agus iad siúd sa rang. An rud is mó a thaitníonn liom faoin gcúrsa go bhfuil meascán de mhuintir na Gaeltachta agus na Galltachta sa rang. Treisíonn an chaint dhúchasach nádúrtha idir mo chuid comhghleacaithe mo chumas cainte agus dá thoradh sin, mo chumas aistriúcháin.

BA sna Dána (Léann Teanga)

This degree is aimed specifically at jobs in the field of language skills. Excellent opportunities now exist in Ireland and Europe for those with a translation / language qualification – indeed, there is a shortage of qualified translators to fill job vacancies. This highly practical degree course focuses on the linguistic, technological and workplace skills needed to become a professional translator.

For the BA (Gaeilge & Léann an Aistriúcháin) Irish, Léann an Aistriúcháin and one other subject are chosen in first year. Irish and Léann an Aistriúcháin are taken from second year onwards.

Work Placement

If Léann an Aistriúcháin and Irish are selected for the degree, a one-year work placement (September to April) is available with an organization or business operating through Irish. In recent years, these have included the Translation Service of the Houses of the Oireachtas, An Taibhdhearc (National Irish language Theatre), Gaillimh le Gaeilge, the European Commission (Brussels), and community organizations in the Gaeltacht.

Career Opportunities

Our graduates are successful in finding jobs in various areas where language skills are important. We have strong links with the EU institutions and many of our graduates are now working in those organizations as well as in the Irish state sector. Other graduates are now utilizing the skills acquired on this degree in jobs in communication and education.

Key Facts

University of Galway is the only Irish university offering a full primary degree course in Translation Studies.

I would recommend this course to anyone who has an interest in both the writing and the structure of Irish. One learns in this course about various aspects relating to translation, with a great emphasis placed on the accuracy of written Irish required to be a proficient translator. There is a great mix in this undergraduate course between both practical work and the reflective skills required to translate at a high level.

An Seimeastar Gaeltachta

Cuireann Ollscoil na Gaillimhe eispéireas foghlama uathúil ar fáil do mhic léinn a thugann faoin nGaeilge mar chuid dá gcuid staidéir ar chlár fochéime. Mar is amhlaidh le clár chéime eile a chuimsíonn teangacha, tugtar deis do mhic léinn a dhéanann staidéar ar an nGaeilge leas a bhaint as tréimhse thumstaidéir 12 sheachtain i gceantair Ghaeltachta Chonamara nó Dhún na nGall le linn bhliain a trí dá gcéim. Tá an Ollscoil i riocht eisceachtúil mar go bhfuil 3 champas ollscoile aici i gcuid de na ceantair Ghaeltachta is láidre sa tír, is iad sin: An Cheathrú Rua agus Carna i nGaillimh agus Gaoth Dobhair i nDún na nGall. Ag deireadh na tréimhse Gaeltachta, bíonn na mic léinn níos inniúla ar an nGaeilge agus dá bharr sin, níos muiníní as í a úsáid agus iad ag tabhairt faoi na socrúcháin oibre i seimeastar a dó.

Roghnaíonn mic léinn an campas is fearr leo agus socraítear lóistín le teaghlaigh áitiúla don seimeastar. Cuireann an Roinn Turasóireachta, Cultúir, Ealaíon, Gaeltachta, Spóirt agus Meán go fial le costas an lóistín, agus is costas €470 (táille 2024) a bhíonn ar na mic léinn don tréimhse iomlán 12 sheachtain. Áirítear le lóistín gach béile; bricfeasta, lón agus dinnéar.

Teistiméireacht

Rinne mé an cinneadh ceart nuair a roghnaigh mé an Ghaeilge in Ollscoil na Gaillimhe. Leagtar béim ar gach gné den teanga, rud a chiallaíonn gur cúrsa suimiúil, cuimsitheach agus taitneamhach é. Ní amháin gur chuidigh an Seimeastar Gaeltachta sa tríú bliain le mo chumas teanga, ach d'fhorbair sé mo scileanna cumarsáide agus mo chuid féinmhuiníne chomh maith. Mholfainn an BA le Gaeilge go hard do dhuine ar bith atá ag iarraidh cur lena chumas Teanga, saineolas a shaothrú ar litríocht na Gaeilge agus forbairt a dhéanamh ar scileanna tábhachtacha don saol oibre.

Shauna Ní Dhochartaigh (BA Comhonóracha le Gaeilge)

Bronnadh deontas Fulbright ar Shauna in 2023 chun an Ghaeilge a mhúineadh in Ollscoil Notre Dame i Meiriceá.

Bíonn na ranganna ar siúl ón 10am – 5pm. Is iad na modúil a chlúdaítear le linn an tseimeastair ná:

- Saibhriú agus Scileanna Teanga
- Scileanna Cumarsáide agus Cur i Láthair
- Teicneolaíochtaí Teanga agus Aistriúcháin
- Cultúr Dúchais na Gaeltachta
- Pobal Gaeltachta an lae inniu
- Tionscadal Gaeltachta

Le linn an tseimeastair Gaeltachta eagraítear réimse leathan imeachtaí cultúrtha agus sóisialta agus siamsaíocht eile chun an taithí Ghaeltachta is fearr a chinntiú do na mic léinn. Ina measc seo tá:

- Siúlóidí Treoraithe
- Turais & Cuairteanna
- Spóirt
- Rothaíocht
- Snámh
- Ceardlanna
- Ceol
- Damhsa
- Drámaíocht
- Cadhcáil

Teistiméireacht

Le linn bhliain a 3 den BComm, thug mé faoin seimeastar Gaeltachta ar an gCeathrú Rua. Mholfainn go láidir d'éinne más maith leo a gcuid Gaeilge a

fheabhsú tabhairt faoin seimeastar Gaeltachta. Bhain a lán buntáistí éagsúla leis an seimeastar Gaeltachta. Tháinig feabhas ollmhór ar mo Ghaeilge labhartha. Sular thosaigh mé an seimeastar Gaeltachta bhíos neirbhíseach faoi chaighdeán mo Ghaeilge. Bhí na léachtaí thar barr agus bhí éagsúlacht ann maidir leis na measúnuithe; bhí obair ghrúpa, cur i láthair, díospóireachtaí, aistí agus bréag-agallaimh san áireamh.

Eagraíodh neart imeachtaí timpeall an cheantair agus chuidigh sé sin liom aithne níos fearr a chur ar dhaoine. Bhíos in ann casadh le daoine i dtimpeallacht nádúrtha lán-Ghaeilge. Mar shampla, d'imir mé peil agus cispheil, bhain mé triail as cúpla spórt uisce, bhí ranganna ióga agus ranganna rince ar siúl chomh maith. Thaitin an timpeallacht lán-Ghaeilge go mór liom. Chuidigh sé liom go raibh mé i gcomhlúadar le cainteoirí Gaeilge níos líofa ná mé féin freisin. Mothaím go bhfuilim i bhfad níos muiníni ag labhairt na Gaeilge anois ná mar a bhí mé ag tús an seimeastair.

John Higgins (BComm le Gaeilge)

Teistiméireacht

Tá an seimeastar Gaeltachta ríthábhachtach do mhic léinn atá ag iarraidh feabhas a chur ar a gcuid Gaeilge labhartha. Cónaíonn tú le Gaeilgeoirí eile

i dteach le Bean an Tí. Bíonn tú sách sa teanga lasmuigh de na ranganna agus tú ag déanamh

cumarsáide leis na daoine i do theachsa agus le muintir na Gaeltachta sna siopaí. Tá níos mó muiníne agam as mo chuid Gaeilge labhartha tar éis an tseimeastair seo. Ní as ceantar Gaeltachta mé ó dhúchas ach roimh dheireadh an tseimeastair tháinig an oiread sin feabhais ar mo chuid saibhris sa teanga.

The Gaeltacht Semester

The University of Galway offers a unique learning experience to students who undertake Irish as part of their studies on the undergraduate programme. As with other degree programmes that include languages, students who study Irish are offered an opportunity to benefit from an immersion study period of 12 weeks in either the Connemara or Donegal Gaeltacht areas during year 3 of their studies. The university is in the favourable position of having 3 university campuses in some of the strongest Gaeltacht regions in the country, namely: An Cheathrú Rua and Carna in Galway and Gaoth Dobhair in Donegal. At the end of the Gaeltacht semester, the students are more competent in Irish and, as a result, more confident in using it when undertaking work placements in semester two.

Students indicate their campus of choice and accommodation with local families is arranged for the semester. The Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media generously supplement the cost of the accommodation, with student contributing only €470 (2024 fee) for the entire 12 week period. Accommodation includes all meals; breakfast, lunch and dinner.

Testimonial

I made the right decision when I chose to study Irish in University of Galway. Emphasis is placed on all aspects of the language, which means that

it is a fun, comprehensive and enjoyable course. The Gaeltacht Semester in the third year not only helped my language ability, but it also developed my communication skills and my self-confidence. I would highly recommend the BA with Irish to anyone who wants to increase their language ability, pursue expertise in Irish language literature and develop important skills for the working world.

Shauna Ní Dhochartaigh (BA Joint-Honours with Irish)

Shauna was awarded a Fulbright grant in 2023 to teach Irish at the University of Notre Dame in America.

Classes during the period are from 10am – 5pm. The modules covered during this semester are:

- Enrichment and Language Skills
- Communication and Presentation Skills
- Language and Translation Technologies
- Native Culture of the Gaeltacht
- Today's Gaeltacht Community
- Gaeltacht Project

During the Gaeltacht semester a wide variety of cultural and social events and other entertainments are organised to ensure students have the best possible Gaeltacht experience. These include:

- Guided Walks
- Tours and trips
- Sports
- Cycling
- Swimming
- Workshops
- Music
- Dancing
- Drama
- Kayaking

Testimonial

During year 3 of the BComm, I undertook the Gaeltacht semester in an Cheathrú Rua. I would strongly recommend anyone who would like to

improve their Irish to undertake the Gaeltacht semester. The Gaeltacht semester had many different advantages but mainly my spoken Irish improved enormously. Before I started the Gaeltacht semester I was nervous about the quality of my Irish. The lectures were excellent and there was a variety of assessments; including group work, presentations, debates, essays and mock interviews.

Lots of events were organised locally and that helped me get to know people better. It was possible to meet people where Irish was the first language and is spoken in a natural environment. For example, I played football and basketball, I tried a few water sports, and there were also yoga classes and dance classes. I really liked being immersed in the Gaeltacht environment. It helped me that I was in the company of more fluent Irish speakers than myself. I feel that I am much more confident speaking Irish now than I was at the beginning of the semester.

John Higgins (BComm with Irish)

Testimonial

The Gaeltacht semester is crucial for students who want to improve their spoken Irish. You live with other Irish-speakers in a house with Bean an Tí and her family.

You are immersed in the language outside of classes

as you communicate with the people in your home and with the people of the Gaeltacht in the shops. I have more confidence in my spoken Irish after this semester. I am not originally from the Gaeltacht area, but before the end of the semester my language skills improved enormously.

Baitsiléir sa Tráchtáil (Gaeilge) (BComm)

GY208

Clár céime ceithre bliana sa Tráchtáil é seo a bhfuil staidéar ar an nGaeilge mar chuid de. Tabharfaidh sé seo deis do mhic léinn a gcuid scileanna teanga a fhorbairt agus iad ag fáil léargas den scoth ar shaol an ghnó agus an chultúir. Feilfidh an cháilíocht seo do mhic léinn ar mian leo gairm le gnó nó ar mian leo rogha leathan gairmeacha a bheith acu.

An buntáiste is mó atá ag mic léinn an chúrsa seo ná an seimeastar Gaeltachta agus an tréimhse taithí oibre a chuirtear ar fáil i mbliain a trí den chéim.

Sásaíonn an clár seo riachtanais Ghaeilge na Comhairle Múinteoireachta.

Seimeastar sa Ghaeltacht

Caithfidh na mic léinn seimeastar iomlán i mbun staidéir in Áras Mháirtín Uí Chadhain, áras de chuid Ollscoil na Gaillimhe ar an gCeathrú Rua. Déanfaidh siad staidéar ar shé mhodúl sa timpeallacht Ghaeltachta seo. Ar na modúil a bheas idir lámha ag na mic léinn beidh 'Inniúlachtaí Gairme' a ullmhóidh na mic léinn le tabhairt go muiníneach faoi thréimhse taithí oibre tar éis an tseimeastair Gaeltachta.

Teistiméireacht Mac Léinn

Shocraigh mé an BComm le Gaeilge a dhéanamh mar gheall ar mo chúla le gnó teaghlaigh agus an tsuim a bhí agam i gcúrsaí cuntasíochta ón meánscoil. Ach bhí grá agam i gcónaí don Ghaeilge ar scoil agus bhí fonn

orm í a choinneáil suas ag an tríú leibhéal. Is de bharr an dá rud sin a sheas an BComm le Gaeilge amach dom. Cé go raibh imní orm faoin ghné na Gaeilge den chúrsa, toisc nár chainteoir líofa mé agus gur Ghaeilge Uladh a bhí agam, chríochnaigh mé mo cheithre bliana le muinín úr i mo chuid scileanna scríofa agus labhartha Gaeilge. Chabhraigh an seimeastar a chaith mé ar an gCeathrú Rua go mór leis an muinín seo agus chuir mé feabhas mór ar mo líofacht sa teanga freisin. Bhí mé tumtha sa Ghaeilge agus sa chultúr le linn an tseimeastair agus bhí sé ar cheann de na heispéiréis ab fhearr liom le linn mo chéime. Leis an chéim seo, chomh maith le staidéar a dhéanamh ar an Ghaeilge, bhí mé in ann díriú ar mo shuim sa chuntasíocht. Thug an BComm le Gaeilge an deis dom páirt a ghlacadh i ngrúpaí móra sna léachtaí le mic léinn trachtála eile, chomh maith le dlúthchaidreamh agus caidreamh a fhorbairt le mo phiaraí agus leis na teagascóirí sna grúpaí beaga agus mé i mbun na Gaeilge. Bhí buntáistí an dá thrá agam!

Fionnuala McLaughlin (BComm le Gaeilge)

Taithí Oibre le hEagraíocht Ghaeilge

Is cuid lárnach de chlár an chúrsa é an taithí oibre agus is próiseas leanúnach foghlama é ina mbíonn sé mar aidhm ag an bhfoghlaimoir an t-eolas agus na scileanna atá sealbhaithe sa chéad dá bhliain den chlár a úsáid. Tabharfaidh an taithí oibre deis don foghlaimoir taithí a fháil ar a bheith ag obair i dtimpeallacht oibre cheart agus déanfar cinnte de go mbeidh nasc idir an taithí oibre agus réimse staidéir an fhoghlaimora. Socróidh Acadamh na hOllscolaíochta Gaeilge an taithí oibre.

BComm (Gaeilge)

GY208

This is a four-year degree programme in Commerce including the study of the Irish Language, allowing students to develop their language skills while gaining valuable insights into business and culture. It is the ideal qualification for students who want to build a career in business or who simply wish to expand their career choices.

The greatest advantage that students studying this course have is that in year three the programme is divided between a one semester internship in an Irish-speaking environment and a semester studying at University of Galway's Gaeltacht campus in an Cheathrú Rua.

This programme meets all of the Irish language requirements set by the Teaching Council.

Gaeltacht Semester

Students will spend a full semester studying in Áras Mháirtín Uí Chadhain, a University of Galway centre in an Cheathrú Rua. They will study six modules in this Gaeltacht environment. 'Inniúlachtaí Gairme' or Professional Competencies is a module that will prepare the students to confidently undertake a period of work experience after the Gaeltacht semester.

Student testimonial

I decided to do the BComm with Irish because of my family business background and my interest in accounting, which developed through my secondary school studies. However, I always loved the Irish language at school and was keen to keep it up at third level. And that was why the BComm le Gaeilge stood out to me. Although the Irish aspect was a bit daunting, as I was not a fluent speaker and I used Ulster Irish, I finished my four years with new confidence in my written and spoken Irish skills. The semester I spent in An Cheathrú Rua helped a lot with this confidence and I greatly improved my fluency here. During the Gaeltacht semester I was immersed in the Irish language and culture, making it one of my favourite experiences throughout my degree. Alongside studying the Irish language, I was able to focus on my interest in accounting. The BComm le Gaeilge gave me the opportunity to participate in large groups during the lectures with other business students, as well as developing close friendships and relationships with my peers and teachers in the smaller groups while studying the Irish language. I had the best of both worlds!

Fionnuala McLaughlin (BComm le Gaeilge)

Internship with an Irish language Organisation

The work experience component is central to the programme and is a continuous learning process where the learner aims to use the information and skills acquired in the first two years of the programme. The work experience will give the learner the opportunity to taste life in a real work environment and there will be a correlation between the work experience and the learner's area of study. Acadamh na hOllscolaíochta Gaeilge will organise the work experience.

LÉARGAS AN CHÉIMÍ

GRADUATE INSIGHTS

Ní raibh mé cinnte an é treo na cumarsáide a bhí uaim agus mé ag triail ar Ollscoil ach bhí mé cinnte gur theastaigh uaim céim a bhaint amach trí mheán na Gaeilge. Is féidir liom a rá go cinnte agus mé ag caitheamh súil siar nach bhfuil aiféala ar bith orm maidir le mo rogha cúrsa. Ón gcéad lá riamh, cuireadh trealamh taifeadta inár láimhe agus as sin amach fuaireamar taithí taifeadta agus craolacháin i réimsí éagsúla den earnáil. Ní dóigh liom go dtugann cúrsa céime ar bith eile a leithéid de thaithí phraiticiúil do mhic léinn.

Ceaptar nach bhfuil ach dá rogha ann do na céimithe cumarsáide, sin Raidió na Gaeltachta agus TG4. Cé gur craoltóirí iontacha iad, níl iontu ach dhá rogha as liosta leathan fostóirí in earnáil na meán Gaeilge. Sin an fáth gurb é an BA (Cumarsáid & Gaeilge) an rogha is fearr d'éinne atá idir dhá chomhairle faoina gcúrsa. Le linn na céime, gheobhaidh sibh scileanna láithreoireachta, iriseoireachta, eagarthóireachta, chomh maith le tuiscint leathan ar na meáin shóisialta, dlí agus eiticí agus an tionchar atá ag na meáin chumarsáide ar ár saolta. Bhí áit lárnach ag 'machnamh criticiúil' inár gcúrsa, ábhar atá thar a bheith luachmhar dar liom, cibé cén t-ábhar atá i mbun agaibh.

Caithfidh sibh seimeastar in Acadamh na hOllscoile sa Cheathrú Rua, áit ina gcuirfidh sibh bhur scileanna praiticiúla i gcleachtadh. Ina dhiaidh sin rachaidh sibh ar thaithí oibre ach chun an fhírinne a rá, tosaíonn an taithí oibre sa chéad bhliain nuair a bhíonn ar na mic léinn 'voxpops' (míreanna gearra fuaime) a thaifeadadh timpeall an champais. Foghlaimoidh sibh scileanna scannánaíochta, scriptscríbhneoireachta agus léiriúcháin ó léachtóirí a bhfuil taithí na mblianta acu ag obair san earnáil. Is minic a chonaic mé duine de mo chuid léachtóirí ar TG4! Tá na meáin Ghaeilge ag athrú is ag forbairt lá i ndiaidh lae agus is é an rud is deise faoin gcúrsa cumarsáide ná, nach ndíríonn sé ar ghné ar leith de na meáin. Thug an cúrsa seo muinín dom mo chlár raidió féin a chraoladh ar FlirtFM. Ina dhiaidh sin, láithrigh mé clár do Raidió Rí-Rá agus do stáisiún áitiúil i mo cheantar féin. Is liosta le háireamh é na féidearthachtaí atá i ndán do chéimithe cumarsáide amach anseo.

I wasn't sure if communication was the direction that I wanted when I was heading to University, but I was sure that I wanted to undertake a degree through Irish. I can definitely say looking back that I have no regrets about my choice of course. From day one, recording equipment was put in our hands and from then on we gained recording and broadcasting experience in various areas of the sector. I don't think any other degree course offers its students such practical experience.

It is thought that there are only two employment choices for communication graduates, that of Raidió na Gaeltachta and TG4. Although they are great broadcasters, they are only two choices from a wide list of employers in the Irish media sector. That's why the BA (Communications & Irish) is the best choice for anyone who is in two minds about their course. During the degree, you will gain presentation skills, journalism, editing, as well as a broad understanding of social media, law and ethics and the impact of the media on our lives. 'Critical thinking' played a central role in our course, a subject which I think is extremely valuable, whatever subject you are studying.

You will spend a semester at the University campus in Cheathrú Rua, where you will put your practical skills into practice. After that you will go on work experience but to tell the truth, the work experience starts in the first year when the students have to record 'voxpops' (short audio segments) around the campus. You will learn filmmaking, scriptwriting and production skills from lecturers with years of experience working in the sector. I often saw one of my lecturers on TG4! The Irish media is changing and developing day by day and the nicest thing about the communication course is that it does not focus on one specific aspect of the media, it covers a wide-range of subject areas. This course gave me the confidence to broadcast my own radio show on FlirtFM. After that, I presented some programs for Raidió Rí-Rá and a local station in my area. The possibilities for future communication graduates is a list to be reckoned with.

Rinne mé staidéar ar an bhFraincis agus ar Léann an Aistriúcháin agus mé i mbun mo bhunchéime. Bhain mé an-taitneamh as an dá ábhar agus cé go bhfuil siad an-éagsúil óna chéile, measaim gur chabhraigh siad araon liom an post seo a bhaint amach. Ar láimh amháin, bhí gné idirnáisiúnta ag baint leis an bhFraincis. Chaith mé mo thríú bliain sa Fhrainc agus spreag an taithí sin mé chun post a lorg thar lear. Cúrsa an-chuimsitheach atá i Léann an Aistriúcháin. Rinneamar staidéar ar réimse leathan ábhar a bhfuil dlúthbhaint acu leis an aistriúchán. I mo phost san oifig seo, tuigim an t-ádh a bhí liom staidéar a dhéanamh ar an ábhar sin agus tuigim freisin gur beag difríochtaí atá ann idir an obair atá ar bun agam faoi láthair agus an obair a rinneamar ar an ollscoil. Léiríonn sé sin dom cé chomh praiticiúil is atá an clár seo.

I studied French and Translation Studies for my undergraduate degree. I really enjoyed both of these subjects and even though they are very different from one another, I know they both helped me to secure this job. On

one hand, French had an international aspect to it and I spent my third year in France and that experience inspired me to look for work abroad. Translation Studies is a very comprehensive course, we studied a wide range of topics that are closely linked to translation. In my current post, I understand how lucky I was to have studied that subject and I now see that there's little difference between the work I currently do and the work we did at university. That shows me just how practical this programme is.
