1. Recommended language skills

The sending institution, following agreement with the receiving institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period:

Receiving Institution [ERASMUS +Code]	Optional: Subject area	Language of Instruction 1	Language of instruction 2	Recommended language instruction level (1)	
				Student Mobility for studies	Staff mobility for Teaching
F NICE 42		French	English	B2	B2

In order to help students in their mobility, French language support courses are organized by the CUEFLE. These courses are free of charge, but ATTENTION, they do not deliver ECTS.

- (1) For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <https://europa.eu/europass/select-language?destination=/node/1>

2. Course catalogue (=curriculum)

Courses catalogues (attached to the FactSheet email) must be submitted to the nominated student to choose the available subjects for their Learning Agreement.

The courses catalogues are currently being updated and reviewed. It is possible that some courses might be removed from the offer. However, once the Learning Agreement is signed by the three parties, the courses will be confirmed for the semester/school year.

- It is recommended to take courses at only one level (L1 or L2 or L3, M1 or M2) to avoid scheduling conflicts.
