

APPENDIX I: TEACHER EVALUATION

To what extent were the aims and learning outcomes of the TU achieved?

Were the teaching and assessment approaches effective?

Did the subject matter and teaching approaches interest and motivate the students?

Was the pace of teaching suited to the student group?

Did the length of the unit suit the timetabling arrangements?

I would suggest the following changes to make it better:

Please email your completed form to qgisschool@gmail.com

Thank you for taking the time to evaluate the course!
