Language requirements

Grenoble INP – Ensimag, UGA	A B1 level in both French and English is required for engineering degree students.
Grenoble INP – Esisar, UGA	
Grenoble INP – Génie Industriel, UGA	A B1 level in French is required for exchange students wishing to take courses in French.
Grenoble INP – Phelma, UGA	
Grenoble INP – Ense ³ , UGA	A B2 level in English is required for exchange students or those enrolled in a master's double degree program who wish to take courses in English.
Grenoble INP – Pagora, UGA	
Polytech Grenoble – INP, UGA	A B1 in both English and French is required for students to the double engineering degree program.
	A B1 level in French is recommended for exchange students.
Grenoble IAE - INP, UGA (Graduate School of Management)	A B2 level is required either in French or in English depending if students follow classes in either language.

For students nominated for an engineering double degree program.

Please note that from now on, in order to graduate, international students will have to obtain a **B2 level in French and in English** if they follow courses in French, and a level **B2 in English and B1 in French** if they follow courses in English. This rule applies to all engineering degrees in France. Grenoble INP-UGA will ensure that students can take exams in both English and French during their stay in Grenoble. (Students applying for a master double degree program are not concerned). To attest the level in French and/or English, students must provide either an official test or a certificate from a language instructor stating the CEFR Level equivalence.

**Make your arrival in France a success
with Feel@Home's missions**

Feel@Home is a service set up by Grenoble INP – UGA for international students to help them prepare for their arrival in France and to provide practical information about life in France, particularly in Grenoble and Valence. The platform offers a range of online activities that students can take part in.

Buddy system 
Buddy System

The Buddy System is an online platform created for peer-to-peer student mentoring. International students can benefit from a personalized welcome (discovering the city and the campus, getting a little help when needed, practicing languages), thanks to a local buddy.

BIE association

Members of the « Bureau International des Etudiants (BIE) » greet foreign students as soon as they arrive in Grenoble, and then help them with all the administrative tasks to help them settle down. The International Student Board also organizes numerous events throughout the year (parties, visits, ski weekend, etc...)
