INBOUND EXCHANGE PROGRAM GUIDE

Toronto Metropolitan University (TMU)

2026-2027

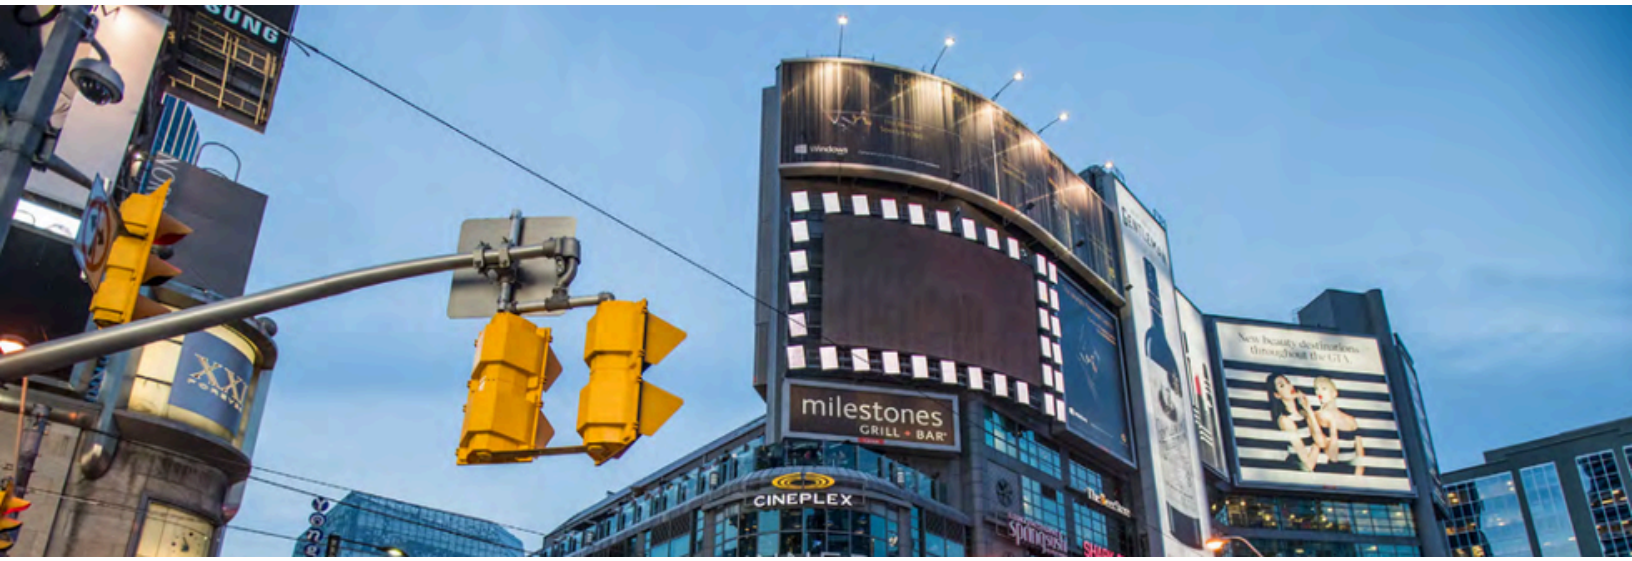

Toronto Metropolitan University

Global Learning

Toronto, Canada

LOCATED IN ONE OF THE WORLD'S MOST MULTICULTURAL CITIES

Located in the vibrant and exciting downtown core of Canada's largest city, Toronto Metropolitan University (TMU) is the country's leader in career-focused education and a university clearly on the move. With a distinct urban edge and a focus on innovation and entrepreneurship, TMU has a mission to serve societal needs and a long-standing commitment to engaging its community.

EXPERIENCE DIVERSITY

Down the street from the CN Tower, the Eaton Centre, the Fashion and Financial districts as well as multiple ethnic neighborhoods, TMU's faculty and students all benefit from the breathtaking, bustling environment that is Toronto. Among other souvenirs of Canada, you will return home with an in-depth understanding of what makes this multicultural, economically competitive and artistically vibrant city and nation, the envy of the world.

EXCHANGE

Exchange students are nominated via their home institution's international office. You can participate in either one or two terms at TMU and typically enroll in three to five courses per term. The credits earned at TMU can then be transferred back to your home university and applied toward their degree requirments.

AM I ELIGIBLE?

To participate in an exchange at TMU, you must:

- Be currently registered at an institution that has an exchange agreement with TMU.
- Have completed at least one academic year with a full course load at your home university.
- Be able to conduct written and group work in English.
- Have a minimum grade point average (GPA) of 2.5, B-, or 70% equivalent.

Significant Dates

	Fall Semester	Winter Semester
In-Person Orientation (Mandatory)	September 3rd, 2026	January 13th, 2027
Semester Dates	September 8th, to mid-December	January 15th, to end of April
Final Exams	First two weeks of December 2026	Last two weeks of April 2027

* Note: During the exam dates, please be mindful NOT to book your flights for the week before or during the exam period.

More significant dates can be found at the Academic Calendar site.

Language Requirements

Minimum English proficiency guidelines are the same as the requirements for our Undergraduate Admissions. Please see the English Language Requirements page for specific scores for CAEL, Cambridge Assessment English, Duolingo English Test, IELTS, PTE, TOEFL.

We use these results as guidelines, and you are not required to provide TMU with their proof of English proficiency. However, responsibility remains with your home university to ensure that the students who are nominated for exchange at Toronto Metropolitan University have a sufficient level of English proficiency.

Learning Agreements & Courses

Exchange students are required to take a minimum of 4 courses and a maximum of 6 (depending on the academic program). You must select a TMU undergraduate program and choose courses offered through that program when completing the Study Plan. You should choose 8 to 10 courses per semester to allow for flexibility during the enrollment process, as course conflicts may arise, others may fill up quickly, or some may not be offered every semester. Your Faculty's exchange coordinator at TMU will guide you through the enrolment process; students do not enroll in courses on their own. For a course list, see the Academic Calendar. All courses are conducted in English.

How Much Will It Cost?

You are responsible for arranging your own accommodation. Exchange students staying for the Fall & Winter semesters or the Winter semester may apply to the on-campus residences. However, please note there are many more applicants than spaces available. There are also several non TMU-affiliated residences near campus, as well as many private apartments for rent. In any case, applicants should search and apply for housing well in advance of their arrival in Toronto to ensure you find convenient and affordable accommodations.

LIVING COSTS	$ IN CANADIAN
Rent	$1000-$2000
New textbooks	$50-$200/book
Groceries	$350-$650/month
Average Lunch	$8-$20/meal
Mobile Phone	$35-$120/month
Public Transit	$35-$120/month
TOTAL	$1,550-3,200/month

Budgets may vary according to student's lifestyle, accommodation and other necessities.

Health Insurance

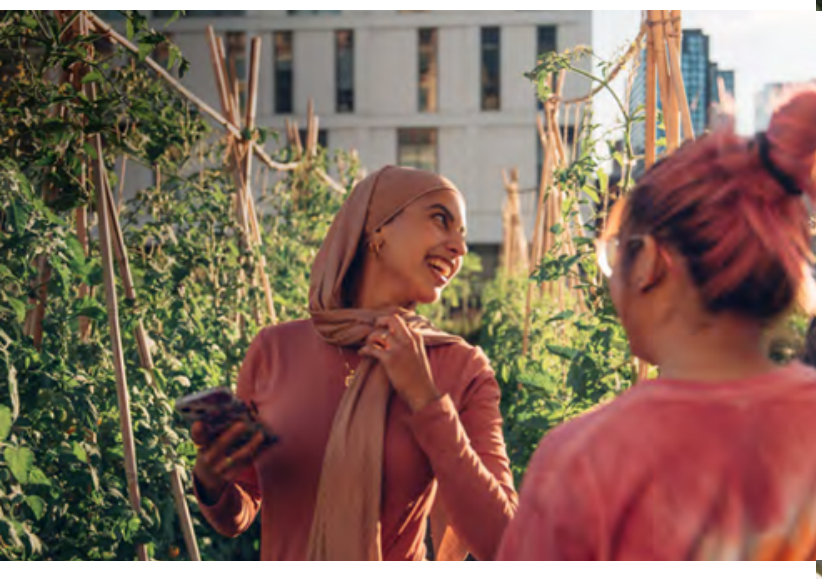

International exchange students in the province of Ontario are legally required to purchase the University Health Insurance Plan (UHIP). Exchange students at TMU are automatically enrolled in UHIP upon arrival on campus. The cost of UHIP coverage will be included in your tuition when you enroll in courses at TMU. For more information, please see: https://www.torontomu.ca/international/student-support/health/

FACULTIES ACCEPTING INBOUND EXCHANGE STUDENTS

TED ROGERS SCHOOL OF MANAGEMENT

Located in the heart of Toronto's business community, the Ted Rogers School of Management combines academic rigour with real-world learning. Ted Rogers School of Management also gained AACSB accreditation in 2011, marking it as one of the top business schools on an international scale.

FACULTY OF ARTS

The Faculty of Arts programs combine a liberal arts education with something unique: TMU's brand of relevant, practical learning that is designed to make you a well-rounded, informed human being who is also highly employable.

THE CREATIVE SCHOOL

Attracting some of the most talented students country-wide, The Creative School offers highly sought-after programs in media, design, and fine arts. The program offers are unique in Canada and have been identified as top in their field both nationally and internationally.

FACULTY OF ENGINEERING & ARCHITECTURAL SCIENCE

The Faculty of Engineering and Architectural Science (FEAS) is a powerhouse of leading-edge applied research and education located in the heart of downtown Toronto. Delivering high-quality education that produces workforce-ready graduates and conducting vital research that improves the quality of lives around the globe, FEAS continues to be a growing and innovative part of TMU.

FACULTY OF SCIENCE

Welcome to TMU's Faculty of Science. Since our inception, we've stayed nimble in designing research and academic programs to meet the latest needs of our complex and ever-changing world. Explore our offerings, and come join us in leading scientific understanding to new levels.

FACULTY OF COMMUNITY SERVICES

TMU's Faculty of Community Services offers a diversity of disciplines that focus on making a positive impact in the community. The program supports a rich curriculum of multidisciplinary programs in health, education, social justice and community development.
