

Hello, my name is Molly Hickey, and I am very excited to be your Vice President for Welfare and Equality this year. I've already spent two years on the SU as the Environmental and Sustainability Officer, so this is not my first rodeo! Other than that, I have been involved in University life in many ways, including serving on the committees of both Bród Soc and Simon Soc. I ran for this position because I care: I care about students, I care about people's experiences on campus, and I care about making your time here as positive as possible. Please feel free to reach out to me at any time through email/message; I'm always here to listen.

Molly Hickey is ainm dom agus is mise an Leas-Uachtarán Leasa agus Comhionannais i mbliana. Tá dhá bhliain curtha isteach agam cheana féin i gComhaltas na Mac Léinn mar Oifigeach Comhshaoil agus Inbhuanaitheachta, mar sin ní inniu ná inné a chuir mé tús leis an aistear seo! Seachas sin, tá mé páirteach i saol na hOllscoile ar go leor bealaí le himeacht na mblianta, lena n-áirítear ar choistí Chumann an Bhróid agus Chumann Shíomóin araon. Sheas mé don phost seo mar go bhfuil gean agam ar dhaoine eile: is cás liom na mic léinn, is cás liom an t-eispéireas ar an gcampas, agus tá mé ag iarraidh do chuid ama anseo a dhéanamh chomh dearfach agus is féidir. Ná bíodh leisce ort ríomhphost/teachtaireacht a chur chugam am ar bith; bíim anseo i gcónaí chun éisteacht leat.
