IRIS Helpdesk: iris@nuigalway.ie

'Find A Supervisor'

IRIS now has a live feed on the Courses section of the external website <http://www.nuigalway.ie/findasupervisor/> which can be viewed externally to help identify potential supervisors and their key research interests.

Step 1 Research Interests for eProspectus

In this step you can enter the information you wish to appear in the research interests section of the eprospectus feed.

Select **'Profile'** from the horizontal menu bar and then select **'Research Overview'** on the vertical menu bar. Enter your information into the category **'Research Interests for eProspectus'**. Click on **'Save Changes'** before leaving this screen.

The screenshot displays the 'Research Information' page in the Institutional Research Information System. The top navigation bar includes 'Home', 'Profile', 'Outputs', 'Grants', 'Tools', 'Reporting', and 'Administration'. The 'Profile' menu is active. On the left, a vertical menu shows 'General Overview', 'Professional', 'Teaching', and 'Research Overview' (highlighted). Below this is a 'Refine by Type of Information:' section with checkboxes for 'Research Interests', 'Research Interests for eProspectus', 'Research Projects', 'Contract Researchers', and 'Collaborators'. The main content area shows 'Research Interests' with an '(edit)' link, and 'Research Interests for eProspectus' with an '(edit)' link.

Step 2 Select Profile Theme(s)

The final step is to click on **'User Preferences'** on the horizontal menu bar on the top right hand side of the screen (settings icon beside LOG OUT) and select one or more themes to associate your profile with. Click **'Save'** at the bottom of the screen.

User Preferences This page contains configuration settings for your profile.
